

Informative 01

São Paulo, 26th May, 2022.

Event Planned Dates

Dear Participants,

Brazilian Northeast SAE BAJA committee comes through this note to inform all BAJA teams that the 2022 Brazilian Northeast BAJA Competition will occur between November 3rd and 6th, 2022.

The competition will take place in Camaçari – Bahia at Senai Cimatec Park facilities, the address is below.

Due to the pandemic scenario on the past couple years, we will leave event confirmation letter to be sent out closer to competition expected dates, however we strongly recommend all teams and captains who wish to compete on northeast phase to be prepared to compete and travel to Bahia by November.

Accommodations will be provided by Cimatec at the same level as has been provided in the past years; in which some areas protected from environmental conditions will be available with some comfort level to the teams.

Further information will be cascaded through SAE Brazil website.

Senai Cimatec Park Address:

Via Atlântica, BA 530, km 2,5, Camaçari - BA, 42810-440

Kind regards,

Baja SAE Brazil – Northeast Phase Committee
